Dear Amazing Kids and Leaders of Plymouth First United Methodist Church
Children's Ministry,

WOW! Just when we thought you couldn't amaze us more, your generosity has left us speechless once again! The Community Resource Center is deeply grateful for your remarkable \$530.48 donation from your change collection drive.

It takes a special group of children to understand that even small contributions—nickels, dimes, and quarters—can add up to make an enormous difference. Your dedication to gathering these coins shows extraordinary compassion and commitment to helping others.

This donation will directly support our food pantry operations, allowing us to stock essential items for families in need. Your contribution will help us purchase fresh produce, protein sources, and other nutritious staples that aren't always available through regular donations. It will also enable us to better serve the increasing number of families who rely on our pantry for their basic food needs.

What you've accomplished is extraordinary—first with your impressive food drive and now with this generous monetary donation. Your church community must be so proud of the values you're demonstrating through these acts of kindness. You're proving that no matter your age, you have the power to change lives and strengthen our community.

With sincere gratitude and admiration,

Carol Wotring
Executive Director
Community Resource Center
